Hi Kevin,

Ex. 5 Deliberative Process (DP)

Also, I think we have some memos or briefing materials to work on, right? I think Region 3 is doing the desk statement and Jacque is outlining the briefing paper? I think we should have those done before we ask Chemours to do anything. I also think we need to ask the management of both regions, and maybe HQ, before we approach Chemours, right?

Thank you,
Jenny

Jenny,

I'll go through the historical data in the quarterly report for West Virginia and see what the top 5 private wells are. I'll let you know what I find.

Thanks,

Kevin
